Selling Points:

Patience, understanding, and a soothing exercise saves the beach day when excitement turns to sensory overload.

Description:

Going to the beach is exciting. But it can also be busy. And loud. Sand can feel hot or itchy or sticky . . . and it gets everywhere! In *This Beach Is Loud!*, a sensitive boy gets overwhelmed by all the sights, sounds, and sensations at the beach. Luckily, this kiddo's dad has a trick up his sleeve to help his son face these unexpected obstacles. Combining accessible storytelling and playful design, *This Beach Is Loud!* gently offers practical advice for coping with new experiences to sensitive children on and off the autism spectrum.
