Selling Points:

The kindness and determination of the Little Blue Engine have inspired millions of children around the world since the story was first published in 1930.

Description:

Cherished by readers for ninety years, The Little Engine That Could is a classic tale of a little engine that, despite her size, triumphantly pulls a train full of wonderful things to the children waiting on the other side of a mountain. This anniversary edition has been slightly abridged and features reimagined artwork from Caldecott Medal winner Dan Santat. Now toddlers can cheer on the Little Blue Engine and that “can-do” attitude that keeps her chugging along!
