The first-ever Eric Carle preschool workbook, featuring letters, sounds, numbers, counting, and patterns!

Description:

Preschool children will love the interactive activities within this workbook, and fans of Eric Carle will delight in exploring and learning through a world of popular characters. With material that aligns with national Common Core Standards, and is vetted by a top educational consultant, this workbook is designed to build and reinforce preschool skills in an accessible way for young learners everywhere. This learning through play approach makes the educational material more engaging, and allows young learners to apply the skills they've been practicing in an exciting and creative way. Eric Carle's books cover many basic concepts, such as colours, shapes, days of the week, food, and animals. World of Eric Carle is partnering with educational consultant Wiley Blevins, who brings his thirty-plus years of curriculum and educational expertise to each lesson and activity created for this brand-new workbook.
