Selling Points:

The third adventure of the Unicorn Rescue Society, co-authored by New York Times bestselling author Joseph Bruchac, comes to paperback, featuring fun and lively cover art and a new bonus story continuing the adventure of The Secret Order of the Unicorn.

Description:

All Elliot wants is a nice, normal day at school. All Uchenna wants is an adventure. Guess whose wish comes true? Professor Fauna whisks the kids - and Jersey, of course - off to the Muckleshoot territory in Washington, where film crews have suddenly descended en masse to expose Bigfoot to the world, and the Schmoke logging company is bringing in some awfully large machinery. Can the Unicorn Rescue Society escape the blades of the Schmokes' chain saws? Outsmart a cable news team? And are those big, hairy creatures running through the forest really Bigfoot?
