Storrings's delightful watercolours capture the energy and excitement of unique New York City events, including the Easter Parade, the Macy's Fourth of July Fireworks, the Greenwich Village Halloween Parade, and New Year's Eve in Times Square. He also turns his attention to beloved and well-visited spots such as Central Park, the High Line, Museum Mile, and the beach at Coney Island, presenting these and other landmarks as they change with the seasons. And, each gorgeous illustration is accompanied by a richly entertaining description of the place or the event.
