As tall as a tree, a giraffe named Jellybean can't do all the things her friends can do - but she CAN help Mama Bird with a nest for her babies, in this picture book.

Description:

Jellybean the giraffe loves her forest and her friends - even if she's too tall to play on the forest floor. She also loves napping with her head in the trees. But when Mama Bird decides Jellybean is the perfect place for her nest, the giraffe suddenly has a big responsibility as she waits for the baby birds to hatch. Can Jellybean be patient and still enough, day and night? Yes, with a little help from her friends. Working with collage and torn tissue paper, Toni Yuly brings charm and humor to her bold, colourful artwork in this gentle story about friendship.
