A heartbroken teen, with the help of her best friends, goes on a quest to find the perfect boyfriend, and in the end learns that some things are more important than boys in this fun YA contemporary.

#### Description:

If her ex can find someone new, then so can she. Even if it means dating every guy in school . . . Camryn Roth has it all planned out: a perfect senior year with her friends and then it's off to Columbia with her boyfriend, Marc. But the first week of school, everything falls apart. Not only does she not have enough extra-curriculars for her dream school, her relationship falls to pieces when Marc publically dumps her! With the help of her two best friends, Camryn is determined to pull her life back together. Step one, more extracurriculars. Step two, get over Marc and find someone better. Shani Petroff's newest rom-com is a love letter to friendship: to those who help you find your true self, stand by you no matter what, and support your plans even when they know they're doomed.
