What do The Cracked Spine and the Loch Ness monster have in common?

Description:

Delaney Nichols loves working at the Cracked Spine among stacks of hard-to-find volumes and literary artifacts. With her great job and engagement to devastatingly handsome pub-owner Tom Shannon, Delaney's expat life in Scotland is straight out of a fairy tale. But the plot thickens when Delaney befriends Norval Fraser, a charming old man who is oddly obsessed with the Loch Ness monster. When Norval's nephew is found dead and the police name him as a prime suspect, it becomes Delaney's job to learn what really happened . . . and find the truth about what's lurking beneath the surface.
