### Description:

Some little ones want to be princesses; others want to be dragons. The message of this book is that you can actually be both! There are lots of things you can be: a little wild, a little sweet. A little polite, a little troublesome. A little dainty, a little dragony. There's nothing stopping you from being just what you want to be . . . so which would you rather be: a princess or a dragon? Here's just the book to help you sort through that difficult question. You might be surprised at what you decide by its end.
