Selling Points:

The Strike Witches series reimagines World War II as a confrontation between the allied human forces and an invading alien menace. Most of the battles featured are fictional recreations of actual World War II dogfights, but in this alternate history, teen girls with advanced weaponry and magic powers perform aerial combat against alien aircraft.

Description:

The Strike Witches of the 501st weren't the first witches to take to the sky, nor would they be the last. Strike Witches: One-Winged Witches covers the story of Wilma Bishop and her adventures along the English Channel in 1942, one year prior to the Second Neuroi War. As this tale unfolds, revelations about key characters and surprising details from Strike Witches: Maidens in the Sky and Strike Witches: The Sky That Connects Us are revealed, all from the unique character perspective of Wilma Bishop.

Join Wilma, sergeant of the Isle of Wight Detachment Group and ace Strike Witch, as she shows new recruits what it takes to earn their flying stripes, not to mention how to kick some nasty Neuroi butt in the process!
