#### Selling Points:

A bouncy light novel series about a girl transported to her favourite video game world with her magical bearsuit equipped - and don't miss the adorable manga version, also published by Seven Seas! (Now an anime!)

#### Description:

Fifteen-year-old Yuna prefers staying home and obsessively playing her favourite VRMMO game to doing anything else, including going to school. When a strange new update gives her a one-of-a-kind bear outfit that comes with overpowered abilities, Yuna is torn: the outfit is unbearably cute, but too embarrassing to wear in-game. But then she suddenly finds herself transported into the world of the game, facing down monsters and magic for real, and the bear suit becomes the best weapon she has!
